OBJECTIVE

To put my skills to use in the workplace and in school.

WORK HISTORY

May 2015 **Techranger**
to   *UCF Center for Distributed Learning*
Present   *Orlando, FL*

As a team member of the Techrangers we work with many different applications including universal design, accessibility compliance, website design, and much more.
- techrangers.cdl.ucf.edu

Jan 2015   **Website Designer**
to   *Self Employed*
Present   *Orlando, FL*

Creating websites for small businesses to get their name out there. Dealt with customers including design and teaching them to use HTML to better their site.
- www.soundwavecaraudio.com
- www.nashsworldofsound.com

Aug 2014   **IT Manager**
to   *Fasig Design LLC*
Present   *Palm Beach Gardens, FL*

Contracted worker, I manage and run all of the electronic hardware at the establishment. Including setting up networks, printers and other systems as well as backing up systems, fixing systems, and installing computer software related to the field.

Aug 2014   **Information Technologies Assistant**
to   *Mashmeyer Concrete Company*
Jan 2015   *Lake Park, FL*

Contracted worker, upon being contacted I would come in and assist with miscellaneous computer needs. All the way from diagnosing and tweeking to installing new systems and wiring, as well as categorizing new and old systems.

Aug 2012 **Social Media Expert / Administrative Assistant**
to   *YMCA of the Treasure Coast*
Jun 2013 *Stuart, FL*

On a daily basis I ran background checks and did a lot of recording data and office work. I also worked with Excel, Word and Photoshop per my certifications. Most of my job was technology based; I ran the website for the YMCA and did all of their social media updates such as Facebook and Twitter. I helped set up for events and created videos and logos and did a lot of other work on the computer.

- Worked on www.ymcatreasurecoast.org
- Gained 2,000 relative likes in 2 days
- Made a VBA Script paired with excel to record volunteers

EDUCATION

Jun 2013 **Information Technologies / Information Securities**
to   *University of Central Florida*
Present   *Orlando, FL*

- 3.55 GPA
- UCF Racquetball Team (National Champion)
- Hack @ UCF

SOFTWARE/SYSTEM SKILLS

I am certified in all of the following up to the current version:

- Microsoft Office Suite
- Microsoft Networking
- C, C++, HTML, Batch, CSS, JavaScript
